Organisation, Information and Documentation

Introduction

Who We Are

Founded in 1960, Dolphins Pre-school is a long established, family-run, Ofsted outstanding Pre-school which has served generations within Brighton and Hove.

Our Ethos

We provide a friendly, happy, stimulating environment that successfully bridges the gap between home and day school. The Dolphins Pre-school ethos is one of “caring and sharing” and based on the recognition of the “child’s right to play”.

We believe children flourish in an ordered environment in which they know that high standards are expected of them and at the same time are free to pursue their play, learning and development without fear of being hurt or hindered by anyone else.

We create an environment in which children develop self-discipline and self-esteem in an atmosphere of mutual respect and encouragement.

Our Mission

To provide a friendly, happy atmosphere to bridge the gap between home and day school, gently introducing children to community life; to know every child in our care and to fulfil every child’s individual needs. Underpinning every area of the Dolphins Pre-school aims and objectives is the recognition of the child’s right to play.

Dolphins Pre-school is committed to an open access policy and is fully inclusive. We are not linked to any religious organisations nor are we affiliated with any particular schools, although we do have excellent working relationships with all primary schools in our local community.

Location and Mailing Address

Dolphins Pre-school is situated in the Nevill Playing fields in Hove, next to Aldrington school. Visitors should ring the doorbell and speak clearly into the intercom. Please be patient as staff may be attending to children.

Staff

Dolphins Pre-school is a long established pre-school and many of our staff have been looking after children on a professional basis for many years. For the various roles that they perform, each member of staff has appropriate qualifications, training, skills and knowledge. Dolphins Pre-school provides a staffing ratio which is generally always better than the minimum welfare requirements of the EYFS. By doing so, we aim to ensure that all Dolphins Pre-school children have sufficient individual attention to guarantee high quality care and education.

We carry out checks on staff through the Disclosure and Barring Service/Criminal Records Bureau in accordance with statutory requirements.

Each Dolphins Pre-school child is assigned a "Key Person" - this is a named member of staff who will meet the individual needs of the child by responding sensitively to each particular child's feelings, ideas and behaviour and through developing a genuine, close bonding relationship.

Curriculum/EYFS

Our trained and experienced staff place emphasis on children having fun and learning through play. The Dolphins Pre-school curriculum is largely based on the EYFS, a statutory framework that was launched by the Government's Department for Children, Schools and Families (DCSF) which came into force in September 2008 and was revised in 2012.

Work and play at Dolphins Pre-school is structured towards achieving the seven areas of learning and development in a wide variety of ways, through specific activities, through general guidance, by instruction and by example.

We aim to sustain a culture where achievement and perseverance are valued and staff continually provide sensitive, constructive feedback to help children evaluate and extend their performance.

The EYFS-based Dolphins Pre-school curriculum (educational programme) involves activities and experiences in 7 areas: The 3 "Prime" areas are in bold, the 4 "Specific" areas through which the prime areas are strengthened are in italics:

- Communication and language**
- Physical development**
- Personal, social and emotional development**
- Literacy*
- Mathematics*
- Understanding the world*
- Expressive arts and design*

Dolphins Pre-school's high staff to child ratio and our Key Person scheme allow children to develop at their own pace with individual attention as necessary.

Key Person System

All Dolphins Pre-school children have a member of staff and a support member of staff who take a special interest in them and spend time on a one-to-one basis with them. Once your child is attending Dolphins Pre-school, you will be introduced to your child's Key Person with whom you will be working in partnership. Records of your child's development and progress will be created and shared with parents/carers, the child, the Key Person and other professionals as necessary.

The role of the Key Person in settling-in

Before a child starts regular attendance at Dolphins Pre-school, we provide parents/carers with information – on our website, Facebook page, in this handbook, the parents/carers folder, and our newsfeed (Spl@sh). We provide an induction to help the settling-in process when the child and parents/carers visit the setting to learn more about our routines and fill in any gaps in the child's registration records.

The Key Person will welcome and look after the child at the child's first session and during the settling-in process. The Key Person will jointly decide with parents/carers the best way to help the child to settle into Dolphins Pre-school.

We recognise that every child is different and cater for all children's needs when deciding upon the most appropriate settling-in strategy. Some children are happy to say goodbye to their parent/carer at the door; others like to be settled at an activity/with their friends or Key Person; and some children like their parent/carer to stay for circle time. When a child experiences anxiety separating from their grown-up we work with the parent/carer to find the most appropriate course of action.

Some children may take longer to settle in than others, e.g. children who have not previously spent time away from home or shy/self-aware children. Children who have had a period of absence may also need their parent/carer to be on hand to re-settle them.

Our visual timetable is shown to children in the settling-in phase throughout the session to present them with a time-frame and indication of when their parents/carers will return.

When parents/carers leave, we ask them to say goodbye to their child and to re-assure the child that they will be coming back, and when.

Parents/carers are asked to provide us with photos of their child's home life for our settling-in albums which are available for children to look at independently in the book corner or with their Key Person/members of staff.

Admissions

Enrolment

By completing the on-line *Application Form* and paying the enrolment fee, you will have reserved a place at the Dolphins Pre-school for your child, subject to availability and confirmation by Dolphins Pre-school. In the event that a place is not available your enrolment fee will be fully refunded.

Please note: You will require the following files in order to complete the *Application Form*:

- A current head and shoulders photograph of your child (jpeg no larger than 5MB)
- A copy of your child's birth certificate as evidence of your child's date of birth (jpeg or pdf no larger than 5MB)

We reserve the right to request presentation of the original documents.

Cancellation Policy

For non-funded sessions / hours parents/carers must give a minimum notice period of 12 weeks in writing (or 12 weeks fees in lieu of such notice) if they intend to decrease sessions / remove their child from Dolphins Pre-school / no longer require a place once sessions have been confirmed. This policy will be strictly enforced.

For EYFE sessions parents/carers must give a minimum notice period of four weeks in writing (or four weeks fees in lieu of such notice) if they intend to remove their child from Dolphins Pre-school or if they no longer require the place once sessions have been booked and confirmed. This policy will be strictly enforced.

Early Years Free Entitlement (EYFE)

All children are able to claim up to a total of 15 hours EYFE funding per week from the term after their 3rd birthday. Such EYFE funding is provided by central Government but is administered by Brighton and Hove City Council (BHCC). In order to claim EYFE through BHCC you must provide a copy of your child's birth certificate as evidence of your child's date of birth.

It is a further requirement of BHCC EYFE funding that your child should not be absent for more than a total of 3 weeks, after which period funding may be withdrawn unless there is a legitimate reason for the child's absence. Parents/carers should also note that the level of EYFE funding does not cover Dolphins Pre-school's costs of £5.96 per hour. As agreed with Brighton and Hove City Council Early Years Team, we charge for any additional hours or part thereof over and above the 15 funded hours.

Funding is for a maximum of 15 hours per week. It is your responsibility to advise us if you are claiming any portion of your 15 hours free funding at another setting.

Parents/carers may use a portion of their child's 15 hour entitlement towards these sessions:

- *Morning sessions* – 9.15am to 12.15pm. As morning sessions at Dolphins Pre-school are always oversubscribed, parents/carers will be allocated a maximum of 3 morning sessions per week for their child; morning-only sessions are not available to "going to big school" children.
- *Afternoon sessions* – 12.00pm to 2.30pm. The afternoon may not be combined with a same day morning session.
- *All-day sessions* – 9.15am to 2.30pm. Please note that we charge for any additional hours over and above our maximum of five funded hours per day.

Please see 'Fees' section below for details of the 'Transitional Quarter Hour'.

We offer a limited number of "free" 15 hour places. Parents/carers are not able to request particular days / sessions. Dolphins Pre-school will allocate places subject to availability. Once a place has been allocated and accepted by a parent/carer that place and those sessions are for that one term only. There is no guarantee that those sessions will be available in the next term. Requests for changes of day / session during term time will not be accepted.

30 Hours Free Childcare

Currently, all parents/carers of three and four year olds are entitled to up to 15 hours a week free childcare.

From September 2017, some three and four year olds have been eligible for an extra 15 hours of free childcare per week (making a total entitlement of 30 hours a week). This is to help parents/carers with their childcare costs and, if they want to, increase their hours of work.

The additional 15 hours are available to families where both parents/carers are working (or the sole parent/carer is working in a lone parent/carer family), and where each parent/carer earns, on average, a weekly minimum equivalent to 16 hours at national minimum wage or national living wage, and earns less than £100,000 per year. This includes employed and self-employed parents/carers and those on zero hours contracts who meet the criteria.

Dolphins Pre-school will offer up to 25 hours of free childcare. You may be able to take up the remainder of your 30 hour entitlement with another childcare provider, but you may be restricted regarding the days/times you can use these hours. The same conditions apply to the 30 Hours Free Childcare as to the 15 hours EYFE:

Parents/carers should note that the level of 30 Hours Free Childcare funding does not cover Dolphins Pre-school's costs of £5.96 per hour. We charge for any additional hours or part thereof over and above the 25 funded hours.

Funding is for a maximum of 25 hours per week. It is your responsibility to advise us if you are claiming any portion of your 30 Hours Free Childcare at another setting.

Parents/carers may use a portion of their child's 25 hour entitlement towards these stand-alone free sessions:

- *Morning sessions* – 9.15am to 12.15pm (as morning sessions at Dolphins Pre-school are always oversubscribed, parents/carers will be allocated a maximum of 3 morning sessions per week for their child; morning-only sessions are not available to “going to big school” children).
- *Afternoon sessions* – 12.00pm to 2.30pm (but the afternoon may not be combined with a same day morning session).
- *All-day sessions* – 9.15am to 2.30pm. Please note that we charge for any additional hours over and above our maximum of five funded hours per day.

Please see 'Fees' section below for details of the 'Transitional Quarter Hour'.

Will I qualify for 30 hours free childcare?

Parents/carers of three and four year olds will need to meet the following criteria in order to be eligible for 30 hours free childcare:

- They earn or expect to earn the equivalent to 16 hours at National Minimum or Living Wage over the coming three months.
- This equates to £120 a week (or c.£6,000 a year) for each parent/carer over 25 years old or £112.80 a week (or c.£5,800 a year) for each parent/carer between 21 and 24 years old.
- This applies whether you are in paid employment, self-employed or on zero hours contract.
- The parent/carer (and their partner where applicable) should be seeking the free childcare to enable them to work.
- Where one or both parents/carers are on maternity, paternity, shared parental or adoption leave, or if they are on statutory sick leave.
- Where one parent/carer meets the income criteria and the other is unable to work because they are disabled, have caring responsibilities or have been assessed as having limited capability to work.
- Where a parent/carer is in a 'start-up period' (i.e. they are newly self-employed) they do not need to demonstrate that they meet the income criteria for 12 months.
- If a non-EEA national, the parent/carer must have recourse to public funds.

Who will not qualify?

A parent/carer will not meet the criteria when:

- Either parent/carer has an income of more than £100,000
- Either parent/carer is a non-EEA national and subject to immigration control (and has no recourse to public funds)

What happens if a parent/carer loses eligibility?

- They will receive a “grace period” – this means they will be able to keep their childcare for a short period.
- Once the “grace period” has lapsed, the parent/carer may be entitled to the universal 15 hour entitlement.

Tax Free Childcare

The government has introduced a new scheme that provides a financial contribution towards the cost of childcare:

- For working families, including the self-employed, in the UK
- With children under 12 (or under 17 if disabled)
- For every £8 you pay in, the government will add an extra £2, up to £2,000 per child per year - that's up to £500 every three months
- Parents/carers of children born on or after 1st April 2013, and parents/carers of disabled children, can apply now

The Government's Childcare Choices website: <https://www.childcarechoices.gov.uk/> sets out all current and upcoming childcare offers and support available to parents/carers, including the Tax-Free Childcare scheme, the 15 and 30 free hours entitlement, tax credits, Universal Credit and childcare vouchers. It is via this website that parents/carers can apply and check if they are eligible for 30 hours free childcare. If eligible parents/carers will be given an 11 digit eligibility code. Parents/carers will be required to re-confirm their eligibility every three months.

Early Years Pupil Premium

From April 2015, nurseries, schools, childminders and other childcare providers have been able to claim extra funding through the Early Years Pupil Premium to support children's development, learning and care.

The Early Years Pupil Premium provides an extra 53 pence per hour for three and four year old children whose parents/carers are in receipt of certain benefits or who were formerly in local authority care but who left care because they were adopted or were subject to a special guardianship or child arrangements order. This means an extra £302 a year for each child taking up the full 570 hours funded entitlement to early education. This additional money could make a significant difference to us.

We can use the extra funding in any way we choose to improve the quality of the early years education that we provide for your child. This could include, for example, additional training for our staff on early language; investing in partnership working with our colleagues in the area to further our expertise; or supporting our staff in working on specialised areas such as speech and language.

Eligibility

Three and four year-olds in state-funded early education will attract EYPP funding if they meet at least one of the following criteria:

1. Their family gets one of the following:
 - Income Support
 - Income-based Jobseeker’s Allowance
 - Income-related Employment and Support Allowance
 - Support under Part VI of the Immigration and Asylum Act 1999
 - The guaranteed element of State Pension Credit
 - Child Tax Credit (provided they’re not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190)
 - Working Tax Credit run-on, which is paid for four weeks after they stop qualifying for Working Tax Credit
 - Universal Credit
2. They are currently being looked after by a local authority in England or Wales
3. They have left care in England or Wales through an adoption / a special guardianship order / a child arrangement order

Children must receive free early education in order to attract EYPP funding. They do not have to take up the full 570 hours of early education they are entitled to in order to get EYPP.

We ask that you keep us updated in respect of your circumstances and complete the corresponding section 10 on the *Application Form*.

Sessions

- 9.15am - 12.15pm Mon to Fri Mornings
- 12.00pm - 2.30pm Mon to Fri Afternoons
- 9.15am - 2.30pm All-Days

The minimum number of sessions a child may take is 2 per week. Taking just one session per week makes our Key Person approach untenable.

“Bolt-Ons”

We also offer Early (8.45am–9.15am) and Late (2.30pm-3.00pm) “Bolt-On” sessions, which are not covered by EYFE funding or the 30 Hours Free Childcare. Please indicate if you wish to take advantage of these “Bolt-On” sessions on the *Application Form*.

* These mornings-only options are not open to children who will be going to Big School in September

**Parents/carers who only want to access their child’s full 15 hours “free” entitlement should choose “M”. These sessions are subject to availability and are allocated by Dolphins Pre-school.

The basis of the register for the following academic years is generally formalized during the Spring Term, when all parents/carers will be advised of their allocated sessions. Parents/carers making session requests after this time will be offered available sessions on a first-come-first-served basis.

You should only book the actual sessions that you wish your child to attend. Additional sessions cannot be held in reserve as an option to be taken up later in the year. For example, if you wish your child to start with

a few sessions per week and eventually increase their sessions throughout that academic year, all these sessions must be booked and paid for from when your child starts at Dolphins Pre-school. Parents/carers may not save sessions for when their child's funding becomes available. As the year progresses, parents/carers may wish to add extra sessions and such requests will be considered at that time should spaces become available (e.g. if another child were to reduce sessions or leave Dolphins Pre-school).

Please indicate your preferred session combinations (1st and 2nd choice) on the *Application Form*. You should indicate 2 choices in case your first choice is oversubscribed.

Fees/Charges

Fees for each full term must be paid in advance before commencement. There is no reduction for public holidays and INSET days.

Fees must still be paid even if your child is absent, for whatever reason.

Enrolment Fee: To secure your child's place a one-off enrolment fee of £38 is payable. This non-refundable fee includes staff administration/documentation for your child.

Session Fees: £5.96 per hour.

Bolt-Ons: £2.98 (£5.96 per hour)

Transitional Quarter Hour: EYFE funding falls short of Dolphins Pre-school's actual costs of £5.96 per hour. As agreed with Brighton & Hove City Council, we charge for any additional hours over and above our maximum of five funded hours per day and 15 funded hours per week, or 25 hours per week for those entitled to the 30 Hours Free Childcare. For children attending all day sessions we charge for a Transitional Quarter Hour - £9.80 (12.15pm-12.30pm). Parents/carers of children attending all day are not permitted to remove their children for this transitional quarter hour.

Late collection of children: £15 per hour or part thereof (Two members of staff are legally required to remain at the setting with your child and this is the cost incurred by Dolphins Pre-school).

Overdue/incomplete payments: All invoices are payable in advance of sessions commencing. Late payments incur an automatic charge of £15 per week or part thereof until settled in full.

Payment via Instalments (effective from September 2019): In exceptional circumstances parents/carers may apply for a payment plan (usually three instalments per term payable on the first day of each month). This is at the discretion of Dolphins Pre-school and will incur a charge of £15 per term. All payment plans are reviewed termly. Missed / late payments will result in late payment charges as detailed above.

Change of sessions: At the end of each academic year there is the opportunity to amend sessions for the next academic year, subject to availability, without charge. Changes to sessions at any other time incur an charge of £15 per change.

Fee increases: Parents/carers will be given at least 4 weeks' notice of any fee increase.

Methods of Payment

Important: If you have previously made a payment to Dolphins Pre-school via your bank /building society please check your invoice for our current bank details and methods of payment as these may change from time to time. *Please note:* Regrettably we are unable to accept payments via cash or cheque

Starting Date

Our main intake is at the start of the Autumn term, although some children who are not developmentally ready to start in September may join Dolphins Pre-school at the start of the Spring / Summer Term.

Academic year

A total of 38 weeks comprising 3 terms:

- Autumn term
- Spring term
- Summer term

Absence

If you plan to go on holiday during term time then please advise us of this in writing as this information has to be recorded. If your child is unwell please telephone to let us know as all absences have to be explained in the daily register sheet. Please note that Brighton and Hove City Council finance department, who administer Government funding, reserves the right to reclaim funding from the parent/carer in the event of non-attendance.

Parental/Carer Information

“Getting to Know Me” Form

To enable us to better understand your child, please provide us with some right-up-to-date information on the “Getting to know me and helping me settle in” form completed via Tapestry. Parents/carers are also encouraged to keep us informed about any significant events or developments (such as a new baby on the way, moving house, visiting a farm, swimming without arm bands, a new interest in dinosaurs) in the family life of your child through regular informal contact with your child’s Key Person and Tapestry.

Keep Informed

Please ensure that you keep up to date with developments at Dolphins Pre-school by reading the notice boards in the hallway, Spl@sh, looking at our web-site (www.dolphins.pre-school.co.uk), Google calendar and Facebook page.

Parent Partners

Dolphins Pre-school seeks to involve “Parent Partners” in the activities of the Pre-school. This is a key theme in the Early Years Foundation Stage (EYFS), which recognises:

- that parents/carers are children’s first and most enduring educators
- that when parents/carers and practitioners work together in early years settings, the results have a positive impact on children’s development and learning.

Our efforts to involve Parents/carers as Partners have had mixed results. Some parents/carers have risen magnificently to this challenge and have been instrumental in installing major projects (most notably our raised flower- beds) to the considerable benefit of all Dolphins Pre-school children and staff.

Other parents/carers have dutifully volunteered their time and energy in organising specific projects (such as preparing and baking cakes with the children) or in helping out with general childcare duties. However, significant numbers of parents/carers do not participate in directly supporting Dolphins Pre-school.

Barriers to Involvement in Parents/carers as Partners

Dolphins Pre-school is not unique in this respect and we have looked at some research undertaken in Scotland (where Parental Involvement is a Statutory Obligation - there is a link on our WEB-LINKS page)

which has revealed some possible barriers to involvement by parents/carers that may impact on Dolphins Pre-school parents/carers:

- Time – parents/carers are very busy and often trying to juggle a number of roles.
- Family Circumstances – families come in all shapes and sizes and have different needs; those parents/carers with younger toddlers or babies, in addition to a child attending Dolphins Pre-school, may find it particularly difficult to participate in Parent Partners.
- Lack of Confidence – parents/carers can feel uncomfortable in Pre-school for a number of reasons (e.g. perceived lack of knowledge or skills which puts them at a disadvantage; parents/carers do not wish to appear “pushy” or “too bossy” in trying to organise events or projects; fathers, in particular, can feel out of place given that most staff / volunteers are women).
- Unfamiliarity – some parents/carers can feel that “membership” of Parent Partners is “not for them” – they may perceive such involvement as “closed”, “cliquey”, “elitist” or “formal” or simply do not see themselves as the right kind of person to be involved.

Dolphins Pre-school Initiatives Promoting Parent Partners

The ongoing requirements of implementing the EYFS, and in particular the burden of observation and assessment, mean that we need the support of parents/carers now more than ever. By carrying out some of the more routine duties and also being involved in overseeing children’s activities (e.g. snack, art and other creative activities such as junk modelling, outdoor play and messy play), parents/carers could free staff and thereby allow them to document children’s developmental progress / spend time with and bond with their Key Children.

Our 2010/2011 OFSTED inspection recommended that we should enhance our links with parents/carers to encourage children’s learning at home. We launched a series of initiatives, partly based on overcoming the barriers to involvement research outlined above, with a view to promoting and securing greater involvement on the part of Dolphins Pre-school parents/carers:

- **Website overhaul**
We have undertaken a review and redesign of the website making it more engaging, reliable, and easier to navigate on both computers and various portable devices regularly used by parents/carers.
- **Introduction of Tapestry**
The introduction of Tapestry at Dolphins Pre-school enables us to create records of observations which we share with parents/carers and encourage parents/carers to contribute to.
- **Raising expectations of Parents/carers**
Rather than merely suggesting that parents/carers become involved, we now expect that Dolphins Pre-school parents/carers will offer to help out with duties at Dolphins Pre-school. Parents/carers of children who are settling-in at Dolphins Pre-school are not be expected to help out during the first term of their child’s time at Dolphins Pre-school.
- **Family Members in lieu of Parents/carers**
While we prefer Dolphins Pre-school parents/carers to volunteer their services, if this is not practicable we will accept other family members (grand-parents/carers/aunts/uncles) *in loco parentis*.
- **Deferred Volunteer**
Parents/carers may defer their volunteer time until their child leaves Dolphins Pre-school to attend “Big School”. In fact this deferred timing might be to our considerable advantage as September is a very busy period in Dolphins Pre-school when staff seek to nurture and develop bonds with their new Key Children.
- **Additional Communications**
Whilst principal means of parental engagement remain face to face interaction with staff and the parents/carers’ calendar located in the hallway, we have now added additional means of enhancing communications including an Enquiry Form located on our redesigned website, direct email, our Facebook page as well as Tapestry.
- **Direct Approach**
Rather than passively waiting for participants to sign up to volunteer their services, we proactively approach parents/carers to enlist their help during busy periods.

We hope that these new measures will result in a greater uptake in Parent Partners for the benefit of all.

Policies

A reference copy of our policies is available at the setting and parents/carers are encouraged to read these during setting opening hours. Please familiarise yourself with our Valuing Diversity and Promoting Equality Policy.

Children's Records

Tapestry Learning Journals

Learning Journals offer Dolphins Pre-school a way to record your child's special moments at Pre-school and keep parents/carers involved in a partnership as their children blossom and grow. In order to conform with requirements of OFSTED they also provide the opportunity to monitor and record how children are progressing within the EYFS developmental stages.

Only trained and authorized staff have access to the secure Dolphins Pre-school Tapestry EYFS online learning journal in order to record observations. All devices utilizing Tapestry are password protected when not in use. Appropriate management settings have been implemented to ensure such records are not stored on any such device but encrypted and stored on a secure dedicated server.

The introduction of Tapestry at Dolphins Pre-school enables us to create records of observations instantly which can then be shared with parents/carers who are encouraged to view and contribute in line with the relevant policies. All records are stored in the UK on secure servers. These servers conform to high standards and are proactively managed 24 hours a day. Dolphins Pre-school Tapestry account has its own database and the code itself is developed using hack-resistant techniques. Filenames are encoded for uploaded images making Tapestry a safe and secure on-line Learning Journal tool.

IMPORTANT:

The e-mail address provided on the *Application Form* will be linked to Tapestry and enable you to access your child's learning journey via the secure Tapestry website.

If you do not have access to e-mail your child will still have an online Learning Journal which you will be able to view by prior arrangement with your child's Key Person. Parents/carers will be able to download a copy of their child's Learning Journal at the end of their child's time with us.

When your child starts at Dolphins Pre-school you will receive an email direct from Tapestry which you need to action without delay in order that you can be successfully and securely linked to your child's dedicated account.

Please see our website for useful guides (select from either iOS / Android / Desktop) explaining how to use the system we have in place.

Parents/carers are only granted access to their own child's Learning Journal which they do not have the permission to edit. Access to information stored on Tapestry is via personal email address and password. Observations added to Tapestry are monitored by senior staff.

Tapestry Terms of Use

Do feel free to view your child's learning journal. (Please note: The number / frequency of observations will vary according to duties staff perform within the setting. Our priority remains spending quality time interacting with and caring for the children).

Do contribute observations to your child's learning journal. (Please note: Only photos should be used, NOT videos as these are unable to be included as part of your child's final learning journal).

Do not use Tapestry to communicate with Dolphins Pre-school staff. Other established forms of communication exist for this purpose, (email, in person, phone, website etc.).

Do not use your child's learning journal as if it were a forum, blog, social media channel, etc. Please remember this is your child's unique Learning Journal that builds into a treasured snapshot of their time whilst attending Dolphins Pre-school.

Do not disclose login details to unauthorised users / store login details on public devices.

Safeguarding and Promoting Children's Welfare

Mobile Devices

Parents/carers and visitors are requested not to use their mobile phones whilst on the premise and are only permitted to use mobile devices to record images of their children taking part in authorised Pre-school activities as dictated by the Principal, Deputy Principal or Head of Operations. The staff, supported by the parents/carers are responsible for ensuring that pictures and images taken of children are done so in a way that reflects the protective ethos of Dolphins Pre-school. Such images are only for parents/carers personal use and must not be freely distributed.

Social Media

Dolphins Pre-school recognises that social media has become a part of everyday life for many individuals and families, including both staff and parents/carers. Social media allows for the free and easy exchange of information, opinions and images. With particular regard to images of children and to enable Dolphins Pre-school to comply with its Safeguarding requirements, it is necessary to set our terms around the use of social media in connection with how Dolphins Pre-school is presented publicly.

The Dolphins Pre-school Social Media policy covers (but is not limited to) the following social media channels:

- Facebook
- Twitter
- LinkedIn
- Personal Blogs

Dolphins Pre-school recognises that parents/carers and their families may be regular users of social media and has no intention to curtail their use of it beyond reasonable requests to adhere to Safeguarding regulations and professionalism. Dolphins Pre-school also recognises that such parents/carers may not be wholly familiar with the requirements of Safeguarding, so the following procedures are provided:

- Remember nothing you put onto social media can be considered entirely private, no matter how strong your privacy settings are.
- Be cautious on how you discuss Dolphins Pre-school in conversations on social media. Do not reveal:
 - a. The location of Dolphins Pre-school
 - b. The names of staff/visitors/volunteers/work placement students working at Dolphins Pre-school, or anything else that could reveal their identities.
 - c. The names of other children and their parents/carers who attend Dolphins Pre-school, or anything else that could reveal their identities.
- If you have any negative opinions or concerns about any aspect of how Dolphins Pre-school is run, do not discuss it on social media. Such concerns should always be reported immediately so that they can be investigated, discussed and resolved formally.
- If any opinions are discussed on social media which result in any detrimental effect on Dolphins Pre-school, its employees, its children or its parents/carers, then Dolphins Pre-school will follow formal proceedings to investigate.

- Do not create any social media friendships with staff/visitors/volunteers/work placement students at Dolphins Pre-school – this is so that the correct professional relationships are maintained between staff and parents/carers.
- Dolphins Pre-school will make an exception to this rule if a parent/carer has an existing relationship with an employee/visitor/volunteer/work placement student. This rule no longer applies once your child has left Dolphins Pre-school.
- If you become aware of any conversation taking place on social media about Dolphins Pre-school and the tone of that conversation is critical of individual staff members/visitors/ volunteers/work placement students, or of the organisation, then it must be reported immediately to the Principal for investigation.
- The Mobile Devices Policy instructs parents/carers that any photographs they take at Dolphins Pre-school's special events are for personal use only.

Children's Safety and Security on the Premises

Late arrival

Parents/carers who are late need to ring the doorbell (since entry through the east external door is not possible because it is locked and bolted) and wait for a member of staff to open the door. Visitors use the same procedure.

Sickness

Children should not attend the Dolphins Pre-school while suffering from conjunctivitis and please do not send children to Dolphins Pre-school when they are poorly. Parents/carers will be telephoned to collect children whom we decide are not well enough to be at pre-school. Children should not return to the Dolphins Pre-school for 48 hours after a bout of sickness/diarrhoea. Similarly, children who have been prescribed antibiotics should be kept at home for 48 hours after the antibiotics are first administered.

Infectious diseases and head-lice should be notified to us as soon as possible so that we can inform other parents/carers. (We do not inform other parents/carers of the child's name.)

In event of your child becoming infested with head-lice, this condition must be treated before the child returns to pre-school. For managing medicines we adhere to the Government's guidance. Please seek advice from the Dolphins Pre-school Health & Safety co-ordinator if you are not sure about the isolation/infectious periods of contagious ailments.

Children should not attend Dolphins if they have a condition which has necessitated the administration of Calpol/Nurofen or similar medicines as this masks the symptoms and the child may be infectious.

Late or Uncollected Children

Late Arrival/Early Collection of Children

We have been advised by the finance department, who are responsible for the administration of government funding, that from September 2009 children's funding entitlement will only be paid for the actual funded time spent at Dolphins Pre-school. Some allowances will be made for planned holidays and there is a "tolerance" allowance for absences due to sickness and other non-avoidable absences. Children arriving late for sessions, after registration has finished, (15 minutes after the start of each session) will have their funding deducted for the time missed of the session. This lost funding will then need to be reimbursed directly to Dolphins Pre-school by the child's parent/carer.

Late Collection of Children

Dolphins Pre-school takes the issue of lateness in collecting children very seriously.

The Children's Act 1989 imposes a duty of care on pre-schools to protect children and to act in their best interests.

If a parent/carer is unavoidably delayed due to an emergency they must endeavour to contact Dolphins Pre-school to say that they will be late collecting their child and arrange what action should be taken by Dolphins Pre-school to look after the child in the interim.

The following guidelines have been given to the Dolphins Pre-school:

- Two members of staff should remain with the uncollected child
- Staff telephone all numbers given on the child's *Application Form*
- If staff are unable to speak with anyone then a member of staff will go to the child's home
- If it is not possible for the staff to remain at the Dolphins Pre-school with the child (because of commitments such as collecting their own children/grandchildren from school) then as a last resort Social Services have to be informed
- Dolphins Pre-school staff are not permitted to take Dolphins Pre-school children in their cars

Children not collected on time will remain in Dolphins Pre-school's care until collected or in the care of Social Services. If it has not been possible to remain at the Dolphins Pre-school with the collected child, a note will be left on the Dolphin's east door informing the parents/carers as to where their child has been taken and where to collect them from.

Persistent lateness in collecting a child from Dolphins Pre-school amounts to abandonment and will result in:

1. A verbal warning being given, and if lateness persists then
2. A written warning will be given, and if lateness still persists then,
3. A report will be made to the Child Protection Unit

As staff need to be paid for remaining at the Dolphins Pre-school after normal session times, parents/carers will be charged this cost for having their child looked after for non-emergency late collection. If a child is to be collected by someone other than their usual adult then we should be advised of this in writing. In an emergency, if a child is to be collected by someone unknown to Dolphins Pre-school then parents/carers should telephone to alert us to this change. Should they wish to do so, parents/carers may also advise us in confidence of a chosen word which they should also give to the person nominated to collect their child.

If any adult is deemed to be in an unfit state to take a child from our care then we may report this to the Child Protection Unit.

General Information

Children's clothing

In the course of their "messy play" and developing independence in using the toilet, Dolphins Pre-school children should not be worried about spoiling their clothes. We have a uniform of a fleece and T-shirt bearing the Dolphins Pre-school logo which children are expected to wear. Trousers, skirts and other clothing should be simple and without elaborate fastenings such as braces or zips. Please avoid sending girls to school wearing long skirts as they get caught up in the bikes and are not suitable for independence at toilet time. Open-toed sandals are not appropriate footwear for pre-school and please avoid shoes with laces unless your child can tie them independently. All footwear should be suitable for climbing, running, skipping, cycling etc. To enable them to make the most of their outdoor play, children should bring a warm jacket and waterproof clothes, including wellingtons, every day. Crocs are useful Summer footwear, especially for water play. Please mark all removable garments, footwear and sun hats with your child's name. Every Dolphins Pre-school child is given two laminated name-tags, one for self-registration and the other to identify items on your child's cloakroom peg.

Nappies

Children brought to Dolphins Pre-school sessions should be clean and dry. In the event of any “little accidents” during the course of a session, we will change the child’s clothing, as required. Depending on the toilet training status of your child, you should provide a change of clothes in a named bag to be left in the cloakroom. If your child is still in nappies, you must provide spare nappies, wipes and nappy sacks in a named bag to enable us to change them when necessary.

Food and Drink

As part of the Dolphin’s policy on healthy eating, we do not allow chocolate, sweets or fizzy drinks in lunchboxes. Whole grapes, cherry tomatoes, large blueberries and olives are a choking hazard for young children. If you put these items in your child’s lunchbox/snack then please ensure that you cut them up lengthways. Chewing gum is also a choking hazard for young children and is not allowed at Dolphins Pre-school. Children are entitled to one-third of a pint of milk a day and this is offered at one of their sessions. Water is available and provided as necessary. All children should also bring a named flask of water every day. Please avoid cartons or pouches of juice (as unfinished cartons leak in lunchboxes) and any little choking hazard “tops” must be removed at home.

Snack

Parents/carers should provide a piece of fruit or other healthy snack in a named food/freezer bag or pot which should be placed in the snack box opposite the self-registration board. If children require fruit to be cut up, this should be prepared at home. Dolphins Pre-school provide a drink (milk or water) every morning. Snacks are taken during free-flow snack time (45 minutes in mid-morning) with adult supervision. Parents/carers whose children have special dietary needs should provide an alternative drink in a (named) flask or plastic bottle.

Lunch Arrangements

Children attending all-day sessions and also those attending afternoon sessions should bring their own lunch in a named lunchbox. We are unable to refrigerate the children’s lunches so please include an ice-pack in the container to ensure that perishable food remains fresh. If parents/carers wish to provide a hot meal for their child to eat at lunch time we recommend purchasing a food flask which keeps food hot for hours.

Name Tags/Self Registration

At the start of each session, parents/carers should help their children to find their magnetic name tag for self-registration from one of the two white boards in the hallway. You should also help your child to find a cloakroom name tag. You will find these filed alphabetically in pockets in the canvas holder which is also in the hallway, near the entrance. Please hang your child’s lunch box on any of the pegs in the East corridor cloakroom area before entering the main room. Once in the main room, your child should place their magnetic name tag on the Magnetic White Board used for self-registration. This is situated to the right of the door to the main room, by the staff kitchen.

The cloakroom name tags should be hung with your child’s coat and spare clothes bag from any one of the pegs in the West cloakroom area, which is situated at the far end of the main room. The cloakroom name tags help us to identify your child’s personal belongings. Young children do not always recognise their belongings but will eventually recognise their personal “tag”. All of your child’s personal items (hats/coats/lunch-boxes/flasks/etc.) should be clearly marked with a personal name label.

Children’s Individual Storage Trays

Each Dolphins Pre-school child is assigned a storage tray clearly labelled with the child’s name tag. Among other uses, the tray provides temporary storage for the child’s art work and for our written communications to parents/carers. Parents/carers should check their respective child’s tray and remove the contents when they come into the main room to collect their child at the end of a session.

Photographs

The photograph of your child that you e-mail to us (see *Application Form* section 1) is used to identify your child's individual storage tray, for self-registration and for snack time.

Birth Certificate

You are required to e-mail us a copy of your child's birth certificate (see *Application Form* section 1). This is a requirement for Early Years Free Entitlement (EYFE), which your child will be eligible for in the term after your child's 3rd birthday.

Birthdays

We celebrate each child's birthday by giving them a birthday card, singing 'Happy Birthday', blowing out candles on a cake and giving the child the opportunity to wear our special birthday hat. We recognise that parents/carers often like to bring in sweet treats to share with the other children, but we suggest alternatives such as a new copy of a favourite book as a donation to the Dolphins Pre-school library. Children particularly enjoy having a favourite story from home shared with the group.

Kindness Tree

We celebrate acts of kindness by displaying children's names on our 'Kindness Tree' and sharing the act with everyone in the group.

Dolphins Pre-school Uniform

We expect children to wear the Dolphins Pre-school uniform (fleece and T-shirt). These can be purchased from Dolphins Pre-school: fleece £15, T-shirt £5.

Toys from Home

We request that children do not bring toys from home into the setting. The exception to this is comfort toys/items such as blankets/soft toys which help the child during the settling-in period.

Confidential Matters

Parents/carers may request to speak in private and in confidence with the Principal/Deputy Principal/Head of Operations or other members of staff either during Pre-school hours or at an alternative mutually agreed time. Please do not hesitate to approach us to discuss any matter which is giving concern.

Parking Restriction

Please do not park on or blocking the Yellow Box area of the Nevill Playing Fields car park. This area is reserved for Dolphins Pre-school staff.

Contingency Plans

Severe Weather

In adverse weather we update our web-site/Facebook page to indicate that Dolphins Pre-school is still open (or much less likely) that we are unable to open.

Loss of utilities

Whether “planned outages” or unscheduled at a local or regional level, loss of power / water could potentially have a severe impact on Dolphins Pre-school and may require us to close. Dolphins Pre-school requires electricity for lighting, power, ITC needs (including land-line phones) and – in winter time - heating purposes (i.e maintaining ambient temperature within the building). Similarly, water is required for the safe operation of the setting mindful of sanitation and general healthcare.

We would endeavour to telephone parents/carers to inform them of our decision to close Dolphins Pre-school explaining the reason for doing so and request them to either collect their children early / not to bring them into Dolphins Pre-school as applicable.

Agreement

Our Obligation to You

Dolphins Pre-school will endeavour to inform you as soon as possible whether your application for a place has been successful. You must confirm your acceptance of the place in writing and pay the registration fee which will secure the place.

Dolphins Pre-school will provide the agreed sessions for your child (subject to any days when Dolphins Pre-school is closed). Any changes of opening hours / closures will be notified at the earliest opportunity.

Dolphins Pre-school will comply with the requirements of the Early Years Foundation Stage and Ofsted registration in regards to the services we provide for your child.

Dolphins Pre-school will provide you with access to our policies and procedures, which outline how we satisfy the requirements of the EYFS in everyday practice; and will notify you in the event of changes to our policies and procedures.

Dolphins Pre-school will maintain appropriate insurance in respect of the setting.

Dolphins Pre-school will make every effort to accommodate siblings of those already attending Dolphins Pre-school. However, we cannot guarantee places will be available.

Your Obligation to Dolphins Pre-school

You must complete and submit the online *Application Form* (together with any additional documentation required) before your child can commence attending Dolphins Pre-school.

You must notify Dolphins Pre-school immediately of any changes to the information you have provided and keep Dolphins Pre-school informed of any other necessary information that may affect the services we provide for your child.

The *Application Form* includes medicine consent and emergency treatment authorisations which must be completed prior to your child attending.

You must read and abide by our policies and procedures.

You must make yourself available as and when required to discuss the progress of your child or any factor relating to his/her place with Dolphins Pre-school at mutually agreed times.

You must immediately inform Dolphins Pre-school if your child is suffering from any contagious disease, or if your child has been diagnosed by a medical practitioner with a notifiable disease. For the benefit of other children attending you must not allow your child to attend whilst they are contagious and pose a risk to other children during normal daily activities.

You must keep Dolphins Pre-school informed of the identity of the persons who will be collecting your child. If the person who is due to collect your child is not usually responsible for collecting then proof of identity may be required. If Dolphins Pre-school is not reasonably satisfied that the person collecting your child is who is expected, we may not release your child into their care.

You must inform Dolphins Pre-school immediately if you are not able to collect your child by the official collection time. You must make arrangements for another authorised person to collect your child as soon as possible. A late collection charge will be applied (please refer to the current fee schedule for details).

You will inform Dolphins Pre-school as far in advance as possible of any dates on which your child will not be attending.

You will provide Dolphins Pre-school with at least four weeks notice (EYFE) or 12 weeks notice (non-funded sessions) your intention to decrease the number of hours your child attends or to withdraw your child (and end this Agreement). If insufficient notice is given you will be liable for corresponding fees / charges detailed above

You must inform Dolphins Pre-school if your child is the subject of a court order and provide a copy of such orders on request.

Payment of fees

Dolphins Pre-school fees are detailed above and shall be notified in advance of your child undertaking the sessions in question. Dolphins Pre-school may review these fees at any time but shall inform you of revised charges at least four weeks before these take effect. If you do not wish to pay the revised charges, you may end the Agreement by giving notice as detailed above.

All fees must be paid in advance. Failure to do so will result in charges being imposed.

All payments must be made in accordance with the directions above. If you require proof of payment it is your responsibility to seek this. Charges will be imposed as detailed above.

If the payment of fees is outstanding for more than 14 days then Dolphins Pre-school reserves the right to terminate this Agreement by giving you 14 days' notice in writing. Upon termination of this contract the child shall cease forthwith to be admitted, and the notice to so terminate shall be regarded as a formal demand for all outstanding monies.

No refund will be given for periods where the place is unfulfilled due to illness or holidays on the part of either party. We are closed on bank holidays and for INSET training to support continuing professional development for the benefit of children and families; no refund is given for this closure as this has already been taken into account when calculating your child's fees. Dolphins Pre-school accepts no liability for other costs which you may incur if you are unable to obtain childcare for any reason.

Suspension of a child

Dolphins Pre-school may suspend the provision of childcare to your child at any time if you have failed to pay fees due.

Dolphins Pre-school does not support the exclusion of any child on the grounds of behaviour. However, if your child's behaviour is deemed by staff to endanger the safety and well-being of your child and/or other children and adults, it may be necessary to impose a suspension whilst we try to address these issues with you and external agencies as appropriate.

Termination of the Agreement

Details of how to terminate the agreement are contained within the Parents Handbook.

Dolphins Pre-school may immediately end this Agreement if:

- You have failed to pay your fees
- You have breached any of your obligations under this Agreement and you have not or cannot put right that breach within a reasonable period of time after we have drawn it to your attention
- You behave unacceptably, as Dolphins Pre-school does not tolerate any physical or verbal abuse or threats towards staff
- Dolphins Pre-school takes the decision to close
- If it becomes apparent that the support Dolphins Pre-school is able to offer your child is insufficient to meet his/her needs

General

If Dolphins Pre-school has to close due to events / circumstances beyond our control (e.g. storm, flood, fire, lightning, aircraft, impact, earthquake, infection, disease, explosion, loss of utilities, riot, civil commotion, malicious damage, theft, subsidence, ground heave, landslide, but not limited to these) the fee's will continue to be payable in full and Dolphins Pre-school shall be under no obligation to provide alternative childcare to you.

If you have any concerns regarding the services provided by Dolphins Pre-school, please refer to our relevant policies.

Dolphins Pre-school reserves the right to refuse to admit your child if they have a temperature, sickness, diarrhoea or a contagious infection or disease on arrival at the setting; or to ask you to collect your child if they become unwell whilst in our care, in line with our relevant Policies. Fee's will continue to be payable in full and Dolphins Pre-school shall be under no obligation to provide alternative childcare to you.

Child & Parent/Carer Details

These are as detailed on the application form.

Setting and Attendance details

You have completed an agreement with **each setting** your child attends for their EYFE of '15' or '30' hours per week in order to ensure that funding is paid fairly between them.

Please note: Your child can attend a maximum of two sites in a single day and if your child attends more than one setting BHCC will distribute the funding appropriately between the settings. If your child is eligible for the extended 30 hour entitlement and is splitting this between more than one setting, you have informed Dolphins Pre-school where your child is having their universal ('15 hour') entitlement as setting A, and the extended entitlement as setting B

Early Years Pupil Premium (EYPP) Agreement

Additional funding may be available through the Early Years Pupil Premium (EYPP), paid to providers for the provision of extra support for children of families in receipt of certain benefits and children who are looked after or have left the care of the local authority through adoption or special guardianship. EYPP is used to improve teaching and learning facilities and resources so as to impact positively on your child's progress and development.

- You confirm that you wish Dolphins Pre-school to claim EYPP for your child
- You confirm your agreement for them to use information supplied by you on my application form
- You confirm that you will provide evidence of eligibility where necessary, e.g. copy of the adoption certificate or a copy of the special guardianship/residence order

If your child is three or four, is receiving Disability Living Allowance (DLA) and is receiving EYFE he or she is eligible for the Disability Access Fund (DAF). DAF is paid to Dolphins Pre-school. The purpose of DAF is to support providers to make reasonable adjustments and build the capacity of their setting to support children with disabilities.

- You confirm that you have informed Dolphins Pre-school if your child is in receipt of Disability Living Allowance (DLA)
- You confirm that, if your child is splitting their EYFE across two or more providers, you have nominated Dolphins Pre-school as the setting where you would like the local authority to pay the DAF
